W.P.(C) No. 4013 of 2002

07. 26.09.2016 No one is present on behalf of the petitioners even on revised call.

Having heard learned Addl. Government Advocate appearing for the State-opposite parties and on perusal of record, we are of the opinion that in the facts of the case, prayer made in this case does not deserve to be granted in the writ jurisdiction.

The petition is accordingly dismissed.
